

EREF Fast Track Grants for AERA Members

FUNDS AVAILABLE NOW!

EREF Grants are available to current AERA members and their employees. Funds are available NOW with expedited turnaround and can be used for any kind of industry-related training. For example, any engine building/rebuilding program, course or seminar; AERA Tech & Skills Conferences; AERA Online Training; or AERA Custom Training.

SELECTION METHOD:

Grant recipients will be chosen based on the following criteria:

- Qualifications and information provided in the letter from the applicant or employer outlining why he/she should be considered
- Written explanation describing how the course will benefit the applicant or employer
